

Watch kids from work!

Any daycare can broadcast live video to parents!

Now every child care can let the parents see their kids during the day!

Parents: Never miss the first smile, the first step, the first word! Only \$25/month.

Providers: Ease frustrations, unite families, build trust, earn new income. Only \$10/month.

- Grand opening: Signup before April 1, 2009 and get 1 month FREE. *
- FREE Trial available. Contact sales@inventworld.com
- Quality video and audio.
- Works with any webcam, camcorder, security camera, and any high speed Internet.
- Always private. Only people you invite can see your video.
- No long term contracts.
- No setup fees.
- Flexible plans.
- Full-time video recording and broadcast. Up to 12 hours per day.
- Every recorded video securely stored for 3 days and accessible to parents 24x7.
- All parents and grandparents can watch quality video at the same time.
- Every parent gets individual account and password. Only an email address is needed.
- Care provider may grant or revoke individual access at any time as children enroll or graduate.
- Multiple cameras can be installed.
- Care provider may pay for parents and set its own prices or include free access in the tuition.
